**TUITION CLASSIFICATION INFORMATION**

University System of Georgia students are responsible for registering under the proper tuition classification. In general, classification of in-state status for tuition purposes requires an individual to have established legal residency and domicile in Georgia for 12 consecutive months prior to enrolling.

Residency is defined as “the state and country where an individual currently lives. An individual may be residing in Georgia and may be classified as having established Georgia residency for securing marital status, a driver’s license, or classification of taxpayer status but does not meet the qualifications to establish domicile in Georgia.”

Domicile is defined as “a person’s present, permanent home where that individual intends to stay indefinitely and to which that individual returns following periods of temporary absence. Temporary residence does not constitute the establishment of one’s domicile. To acquire domicile, an individual must demonstrate intent to remain permanently or indefinitely.”

In accordance with Board of Regents Policy 4.3.4, any student applying for in-state tuition will be required to provide validation of their lawful presence in the United States and proof of Georgia residency in order to be granted in-state tuition status.

Are you applying for in-state tuition?  ☐ Yes  ☐ No

**IF YOU ANSWERED “NO” TO THE ABOVE QUESTION YOU WILL BE CLASSIFIED AS AN OUT-OF-STATE STUDENT FOR TUITION PURPOSES. IF YOU ANSWERED “YES” TO THE ABOVE QUESTION, ALL OF THE FOLLOWING QUESTIONS MUST BE ANSWERED.**

As of the first day of classes for the term you are applying to enroll, will Georgia have been your present, permanent home (domicile) for at least 12 consecutive months?

☐ Yes  ☐ No

**Note:** if you are temporarily residing in the state, have maintained ties to a previous state or country of residence, or moved to the state for the primary purpose of attending college then you typically are not considered domiciled in the state of Georgia for tuition purposes.
