The Eagle Incentive Program (EIP) is designed for select students who are not regularly admitted for fall term. These students begin classes in the summer, gaining access to campus resources and support to assist in their transition to college. This five-week program runs concurrently with Georgia Southern’s summer term, from mid-June to mid-July. Students live on campus with other participants, creating an engaged community with opportunities for success.

Requirements of the Eagle Incentive Program
1. 960-1020 SAT (math + evidence-based reading & writing) or 18/19 ACT composite
2. High School Cumulative Academic GPA 2.5+
3. Completion of Required High School Curriculum
   - (4 English, 4 Math, 4 Science, 3 Social Science, and 2 Foreign Language credits)
Please visit GeorgiaSouthern.edu/eip for complete detailed requirements.

Reserve a space in EIP
Students who are interested in participating in EIP should complete the regular Undergraduate Application for Admission. Qualified applicants will receive an invitation to the Eagle Incentive Program. If you have already been invited to EIP, complete the student contract and submit the non-refundable $60 deposit as soon as possible to reserve your space. Space in the program is limited, and reservations will be accepted on a first-come, first-served basis. You can complete the contract and make your payment online at GeorgiaSouthern.edu/eip.

Academic Courses & Professors
Students take three college-level academic courses and earn eight hours of academic credit during the summer. Courses taken during EIP are not remedial and if passed successfully, will count toward graduation. Georgia Southern faculty, including those who teach during EIP, are well known for their student-centered and teaching-focused approach.

Dates of the Program
Classes begin on Monday, June 18 and continue through Thursday, July 19. Operation Move-In (June 14) and mandatory SOAR (orientation) (June 15-16) will take place prior to the first day of classes. You will receive more information closer to June. A mandatory Conversations with Professors meeting for students will be held on Sunday, June 17 (more information about this event will be provided at SOAR).

Financial Aid & HOPE Scholarship:
If you want to be reviewed for summer financial aid, which includes the Georgia HOPE Scholarship, you must complete the appropriate paperwork in a timely manner. You should complete the 2017-2018 Free Application for Federal Student Aid (FAFSA), found online at www.fafsa.ed.gov, for the summer term. To be reviewed for fall 2018 financial aid, you must also complete the 2018-2019 FAFSA. If you only want to be reviewed for HOPE, you should complete the GSFAPPS application available at GAfutures.org. Armstrong FAFSA code: 001546 | GS FAFSA code: 001572

Housing
First year students are required to live on campus for EIP and the following fall semester. Living on campus is convenient, and it will allow you to meet other students and take advantage of the many resources and services available to you. After you have reserved your space in EIP, you will receive more information regarding applying for housing. A $100 non-refundable housing registration fee is required (you will only need to pay the $100 fee once to cover both summer and fall).

Testing out of EIP
If you retake the SAT or ACT and earn a higher score that meets the minimum requirements for fall admission (1030 SAT or 20 ACT), send the new scores to Georgia Southern University, contact your Admissions Counselor, and ask to have your application reviewed again for fall admission. If you are accepted for fall, your $60 EIP deposit can be applied to your fall semester tuition.

Questions?
View complete program information online at GeorgiaSouthern.edu/eip. Contact your Admissions Counselor at 912.478.5391 or admissions@georgiasouthern.edu for more information.
