In accordance with Board of Regents Policy 4.3.4, all applicants who are accepted for admission or re-admission to Georgia Southern University for the fall 2011 or any academic semester thereafter are required to provide validation of lawful presence in the United States in order to receive in-state tuition.

Please complete this form, include clear and legible photocopies of at least one of the applicable materials (note that some require you provide a certified original), and return the packet to the Office of Admissions as soon as possible or bring it with you to Orientation (SOAR). If our office does not receive one of the qualifying documents before you begin classes, you may be subject to out-of-state/country fees. You may bring your documents to SOAR. Thank you for your prompt attention to this matter. Please note – this does not affect your admission to Georgia Southern University; this only affects your tuition rate.
